Hartnell's Music Department Attends Music Educators National Conference

By RALPH WINTERS

Hartnell College's music department was well represented at the biennial convention of the Western Division of the Music Educators National Conference, held in Pasadena April 14-17. Instructors Lorell McCann and Vahe Aslanian were active in organizational affairs and group meetings, and Hartnell's Madrigal Singers entertained the entire assembly.

Hundreds of music educators from California, Arizona, Nevada, Utah and Hawaii participated in the activities, which marked the golden jubilee of the national organization, the silver anniversary of the Western Division, and the tenth anniversary of the California Music Educators Association.

Mr. McCann, who set up the Composition Section of the state conference eight years ago, now

serves as chairman of its counterpart in the Western Division. He presided at the Composer's Workshop, the Luncheon and Forum, and the Composition Session.

Mr. Aslanian delivered a report from his Committee for Music History and Appreciation and served on a panel that discussed "Higher Education and Junior College Articulation."

The Madrigal Singers of Hartnell, only northern California Junior College group to sing at the convention, presented six selections during the Chamber Music Hour.

Hartnell Students Win Bank Awards

Two Hartnell College students, Walter W. Dodd of Salinas and Norma Jean Yappert of Watsonville, have won \$100 each under a new Bank of America Junior College Business Awards program.

Dodd, a business administration major, is a graduate of Salinas Union High School. Miss Yappert, a Watsonville Joint Union High School graduate, is taking a secretarial course at Hartnell.

The two were chosen by faculty members, who judged on scholarship, personality and extracurricular activities or outside employment.

Launched by Bank of America this year, the program is designed to stimulate students in preparing for business and secretarial careers.

Certificates of merit will be given the winners at a college assembly, and cash awards will be made June 4 at a bank-sponsored banquet at the St. Francis Hotel in San Francisco.

Dramatists Plan Dance for May 10

On May 10 the Drama Club will announce the "Thespian Queen" of the year, and she will receive a drama trophy. The announcement will be made at the "Blue Moon" dance.

Any club at Hartnell College may enter a girl in the contest. Although to date only two girls have been entered, more clubs are expected to enter contestants soon.

The deadline for new candidates is May 2. Clubs wishing to sponsor a contestant should notify either Frank Inderbitzin or Harold Ulric, drama coach.

The members of the Drama Club are planning to make "Blue Moon" the biggest of the three dances they have already sponsored. The Jazz Club Four will supply the music, and free refreshments will be served to all attending.

Wilfred Wong, Frank Inderbitzin, Ruby Shiotani, Marion Lewis, and Barbara Mills are in charge of the contest and dance.

Results Announced On La Reata Vote

Hartnell students were asked to vote April 8 on whether they felt that the college yearbook, La Reata, should continue publication after the 1957 edition.

To the question, "Do you think Hartnell should continue to have a yearbook?" 354 voted yes and 73 voted no. A total of 282 students stated that they were going to buy a yearbook, and 120 do not plan to buy one. Of 464 students voting, 434 were aware that the yearbook has been on sale. Fifty-eight students felt that more money should be appropriated for a larger, better book, and 287 voted against increased appropriations.

"Open House" To Be Held At College Monday Night

Hartnell College will introduce the 1957 Public Schools Week in Salinas with "open house" at the main campus Monday night, April 29, from 7:30 to 9:30.

The public is invited to view the special exhibits and see demonstrations by the various departments. Faculty members will be on hand to talk with visitors about the equipment and courses of instruction, or to discuss any student problems.

Vahe Aslanian, member of the Hartnell music faculty and director of the open house, is arranging a special program to be given in the lounge of the John B. Lemos Memorial Student Union, which was first open to the public at this time last year.

Music Department Hosts Festival

Hartnell's music department will be host tonight for the annual music festival of the Northern California Junior College Music Educators Association.

Held in the Student lounge beginning at 8 p.m., the program will consist of small ensemble performances and 14 solo numbers. Hartnell's portion will include selections by the Madrigal Singers and a solo by Rosemarie Clappitt.

Other schools participating in the two-hour festival will be: City College of San Francisco, San Mateo College, Modesto Junior College, San Jose Junior College, Santa Rosa Junior College and West Contra Costa College.

Vahe Aslanian, Hartnell voice instructor, is serving as chairman of the 1957 music festival.

The program will include music by one of the school's instrumental groups and by the Madrigal Singers, as well as modern dance numbers by the women's physical education department.

Various laboratories will be open, with students demonstrating the experimental processes. Exhibits will show the progress of students in the sciences, art and photography, business and many other courses. Last year several hundred people attended the open house.

Stuart Dufour, Hartnell president, has expressed his hope that students will urge friends and relatives to come this year. "It is an ideal opportunity for families of students, for the community in general, to get acquainted with Hartnell College and the progress we're making."

Photographs On Public Exhibit

More than 50 photographs made by this year's photography classes are now on public exhibit in the north section of the main hall in the administration building.

The pictures, varying in subject matter and in size from 8-by-10 inches to 20-by-80 inches, were prepared by ten students, instructed by Thomas Silliman of the art faculty. Each photograph has a statement of the photographer's intent in making it.

Also included are photographs of the photographers making the pictures on exhibit.

The exhibit layout was prepared by Mr. Silliman's design class.

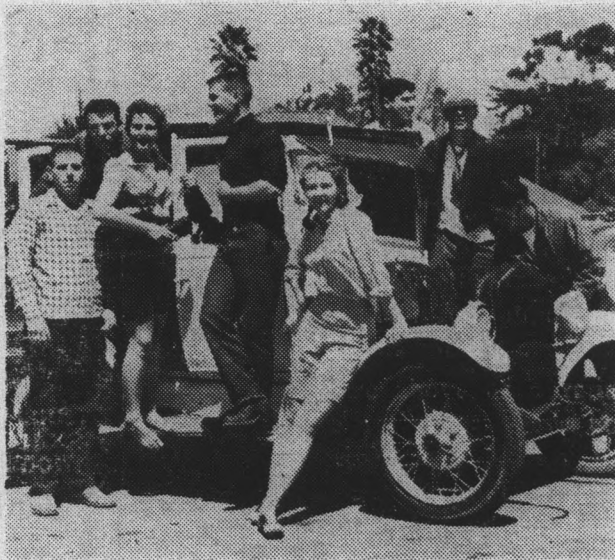

After a two-week showing at Hartnell, the exhibit will go on tour.

Photography students whose work is included are: Nick Chavez, Paul Dumbrigue, David Esquer, Marcelo Galicia, Bob Goddard, Gerry Meeks, John Pihl, Larry Sale, Ray Taylor and Gary Young.

Final Production Of College Players Set for End of May

"Anastasia" will be presented by the College Community Players as their fourth and final production of the season. It will be given in the Little Theatre starting on May 30, with Mrs. Carol Wood as Anastasia. The rest of the cast is indefinite, Harold Ulric, drama instructor, stated.

Wilfred Wong has been selected as stage manager, and script girl is Rosemarie Clappitt.

■ A "Dogpatch Cadillac" arrives at the campus for Sadie Hawkins Day, April 12. At the right, Marion Johnson is shown as she receives her prize, a box of candy, for being the best-dressed "Daisy Mae" at the dance. Mike "Li'l Abner" Hansen (left) looks happy as he shares the spotlight as the male winner. In the center, left to right: Ted Peverini, Don Navorato, Ann Greenberg, Bob Colyer, Virginia Perrson, Clarence Mendes, Ron Garver, Shinobu Hirasaki (Photo by Goddard)

Commissioners Attend L.A. State Conference

Four Hartnell Commission members and the 1957-58 student body president will attend the state conference of the California Junior College Student Government Association.

Attending the conference, to be held in Los Angeles April 2, 3, and 4, will be Norma Yappert, Marion Johnson, Don Adamson, and Bill Sheppard. Alex Zermeno will represent the 1957-58 student body as president-elect.

JAZZ-MODERNE

By BOB SCAGLIOTTI

Inasmuch as the subject of last column was "progressive" jazz and its various misuses, I believe it is appropriate to follow it up with a discussion of a form of isolationism adopted by most jazz followers. It refers to the people who make it a practice just to take interest in one particular form of jazz, and often the inferior type at that. I am not insinuating one form of jazz is better than another; as a matter of fact, all jazz in any shape or form is neither unadulterated goodness nor complete cacophony, but a mixture of both good and bad.

Yet jazz must be consumed as a whole, not dissected into various components where one can choose the particular part which pleases him most. If a person likes jazz, then the works of Louis Armstrong, Dizzy Gillespie or Chet Baker are appreciated equally, although none are above criticism at one time or another. Instead of condemning one form of jazz because of its age, the fan should try to distinguish the good from the bad; he should try to detect the hastily assembled albums and the insincere solos heard in the clubs; and he should attempt to get to the substance of jazz and not be overwhelmed by the overworked clichés, harsh dissonances of the trumpet sections and other superficial attempts at jazz.

One means to receiving this well-rounded appreciation of jazz is to take into consideration the era in which each form flourished, namely Dixieland. During the time of world wars, bootlegging and other problems which tax the energy of a young nation, jazz emerged not from the opera house or the church socials, but from the saloons, brothels, private clubs and whatever else that catered to night life.

Soon many people began to take notice of this loud music with the heavy beat, but unfortunately so did many of the leaders of the commercial dance bands, polka and Jewish wedding bands. Before very long most every band had the monicker of a jazz band: i.e., Freddy Cosmo and his jazz band. They were recognized by their funny hats, smiling faces and near pandemonium displayed on the bandstand. Of course, this is no more jazz than Handel's "Messiah," but even today this misunderstanding exists in the memories of those who survived the roaring twenties and early thirties.

Dixieland is but part of jazz, yet one which could bring a great deal of enjoyment to anyone who would give it a chance.

■ There's always room for one more at the home of Jerome K. Holmes, chemistry teacher, as Maria Katalin Tulipan (right), Hungarian refugee, discovered when she arrived April 15. Maria, 19, comes from Budapest, Hungary. She will live with the Holmes family and continue her education at Hartnell. The family is shown greeting Maria. They are, left to right: Marie, Patricia, Fenwicke, Glenn, Sharon, Vincent, Mrs. Alma Holmes, Jerome K. Holmes, and Kristin. (Photo by Goddard)

Costume Dance Marks End of Hawkins Day "Dress-up" Festivities

The Sadie Hawkins costume dance on Friday, April 12, climaxed a two-day program sponsored by the Associated Women Students. Thursday's program was an assembly, while Friday was dress-up day.

Richard Morrel was master of ceremonies for the assembly, where the Stardusters played. Carol Stewart, Rosemarie Clappitt, and Staten Johnston sang. Other activities included several groups of students dancing.

On Friday students dressed as Li'l Abner, Daisy Mae, and other Dogpatch characters. The girls caught their men and took them to the dance, which was held in the men's gym from nine to one. The five-piece band of Norman Gruber from Monterey played dancing music in the decorated gym.

Refugees Are Helped In American Customs By Hartnell Students

A committee of Hartnell students is helping to orient the newly-arrived Hungarian students in the ways of American life and the English language.

The committee consists of DeVore Plumbe, Sue Giacomazzi, Barbara Douglas, Sherrian Emery, Barbara Church, Kay Bourgerie, Paul Heaney, Bob Ash, John Mulkin, Jeanette Morgan, Sue Cassady, Terri Racik, Julia Ekelin.

Faculty Members Go to Stockton

At least 20 faculty members will attend the annual spring meeting of the Northern California Junior College Association, to be held in Stockton tomorrow.

Henry Cassady, Hartnell English instructor, will participate as a member of the five-man panel discussing "Communications for the Terminal Student."

Chesley Bentley, supervisor of industrial education for the Salinas schools, is chairman of the section on vocational nursing.

Jerome K. Holmes, who teaches chemistry at Hartnell, is a director of the association.

Six Women Students to Represent Hartnell in Tennis Tournament

Six women students will represent Hartnell College today and tomorrow in the Seventh Annual Northern California Women's Tennis Tournament at the College of Sequoia in Visalia.

The six women, who were chosen representatives because of their positions on the tennis tournament ladder, are: Mitzi Oka and Susan Cassady, singles; Nancy Herman-Gail Sorenson, and Loretta Phelps-Loren Calub, doubles.

Colleges in northern California, both two-year and four-year schools, have been invited to enter the tournament.

The perpetual team trophy from last year will be awarded for the

year to the winner of the school scoring the most points.

Simple awards will be furnished to the winners and runners-up of both singles and doubles.

The group left Salinas yesterday afternoon, accompanied by Mrs. Dorothy Middaugh, women's physical education instructor.

Tonight they will be guests at a welcome dinner and a program, hosted by the Associated Women's Students at the Sequoia campus.

College Students Visit Academy of Sciences And Fleishhacker Zoo

Members of the nature study and zoology classes went to San Francisco on April 9. They visited Fleishhacker Zoo and the Academy of Sciences in Golden Gate Park.

The Academy of Sciences includes the Steinhart Aquarium, where the students observed reptiles and fish. They also saw the Bay Area Science Fair exhibitions, as well as regular displays in other halls.

The group spent the afternoon at the zoo observing the habits of live animals.

Wilbert Robinson and Howard Feder, instructors, accompanied the group.

Local, State Organizations Offer Scholarships to Many Students

Several organizations throughout the state of California and in the city of Salinas are offering scholarships to qualified students who are now attending or plan to attend college.

On the University of California campus at either Davis or Berkeley, there are more than 100 scholarships available to entering students. In addition, the California Alumni Association, in conjunction with the University of California, provides about 200 scholarships of \$150 to \$300 each that are available to students and that may be used on any of the campuses.

The Monterey County Granges are offering scholarships of \$100. The application is in the form of an interview with the committee on scholarships.

Offered by the California Congress of Parents and Teachers are 27 grants of \$400 each to qualified students planning teaching careers. In addition, loans may be negotiated to assist students; they run up to \$300 and cover all higher educational fields, professional and vocational. The C.C.P.T. committee meets twice each month to consider applications for loans.

The Foresters of America Court No. 53, Soledad, is offering a \$100 scholarship to a student attending Hartnell from Soledad, Gonzales, Greenfield or King City, and majoring in forestry.

Two \$100 scholarships are being

offered by the Salinas Lions Club to students attending Hartnell.

The Salinas Junior Chamber of Commerce is offering a \$100 scholarship to a student attending Hartnell from Salinas.

In addition, several other scholarships are being offered. There is a Stanford scholarship, an A.A.U.W. scholarship, and a Sears, Roebuck Foundation scholarship. The latter runs as high as \$250.

Business Club Wins Blue Ribbon

Hartnell Business Club, Phi Beta Lambda, Chapter No. 1339 of the Future Business Leaders of America, was awarded a blue ribbon for having the second largest junior college membership in the state at the state convention held March 29 and 30 in Palo Alto.

Cruz Martinez, a member of the college chapter, served as 1956-57 treasurer of the state organization. Martinez was elected to his office at last year's convention, when he was a student of Salinas Union High School. He attended the convention this year as a delegate from Hartnell College.

Shirley Lim, business major from Salinas, is president of the Hartnell chapter, and Claud Addison is adviser.

Hartnell Golf Team Loses Match to MPC

By RALPH WINTER

The Hartnell College golf team was squeezed by MPC on April 12, with a score of 8½-6.

The results of the various matches are as follows: Dan Hiura lost 3 points, Richard Smith lost 3, Ron Leonti won 3, Ron Critchfield won 3, and Jack Wilkinson won 2½.

Hartnell's next meet will be with the Northern California Intercollegiate at Pasatiempo, Santa Cruz, April 26-27.

Rev. M.L. Kemper Lectures to Club

The Intervarsity Christian Fellowship Club held a meeting on Tuesday, April 9, in which the Rev. M. L. Kemper of the First Presbyterian Church of Salinas gave a lecture.

Dr. Kemper lectured on predestinations, which was revived by Calvin, a sixteenth century priest.

Dr. Kemper said that predestination teaches that God has all knowledge of man and knows man's future. Yet, in spite of this, man has freedom of choice. But because God has all knowledge, God knows what man does before he does it.

In conclusion Dr. Kemper stated that predestination would lead us to believe that this mortal life is a training period for a possible life in eternity.

A discussion was also held by the club on a forthcoming party after Easter vacation.

Regular Class Sessions Observed at A and M

Regular class sessions at the Hartnell A & M were observed by visitors at the open house held April 4. Visitors witnessed classes in welding, carpentry, machine shop, auto shop, body and fender shop, radio and television classes, and the aviation and agriculture departments.

The open house at the A & M is an annual affair, and was held earlier this year to coincide with the Salinas Union High School PTA chicken dinner.

Women to Attend Sports Play Day

Hartnell College will participate in the Sports Play Day, which Monterey Peninsula College is holding for women of California junior colleges on Saturday, May 4.

Any woman who is interested in participating in an activity may sign up in the women's gym.

Hartnell College has been asked to bring the following: One singles and one doubles tennis team, one singles and one doubles badminton squads, one volleyball team with

alternate members, one bowling team and one golf team.

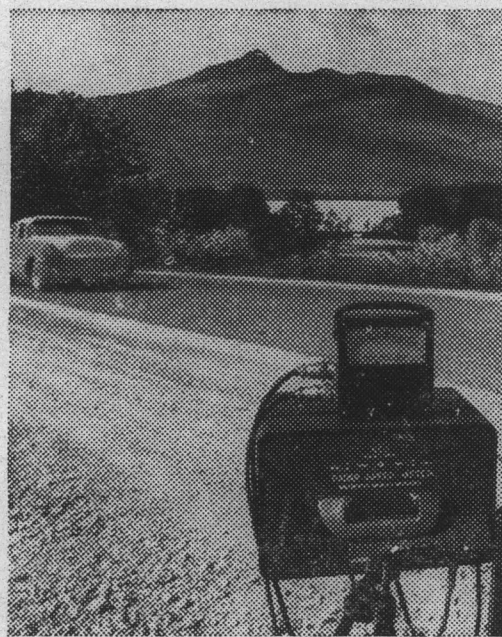

Each school is asked to provide an official for each activity.

On March 30 Hartnell was host to Monterey in a play day, when tennis, basketball, volleyball games were played. Hartnell had the total high points of the day.

Coed to friend: "Bill is a perfect gentleman at all times, but I guess that's better than having no boyfriend at all." —Reader's Digest

See what happens...

Switch to Shell!

Before TCP... The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

After TCP... The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP*, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clocked acceleration test shows how TCP additive restores this lost power, delivering up to 18% faster acceleration—"pick-up" that even

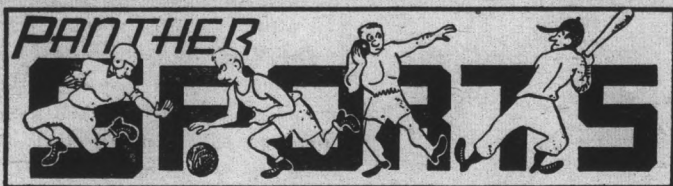

the most careful driver sometimes needs for safety.

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

*Shell's Trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

HARTNELL HOSTS SMALL COLLEGE MEET TOMORROW

JIMMY ZACHARY - SPORTS EDITOR

Practice Double-header

Hartnell College Tossers Play Prison Tomorrow

Hartnell baseball team will be seeking to better their current ten wins and five losses in the record book when they encounter the Soledad Prison All-Stars tomorrow morning and afternoon in a practice double-header at the prison.

Coach Jess Regli expects the inmates to give the Panthers a battle for the two contests. In the first two meetings of the squads, Hartnell was victorious on both occasions.

Regli expects to start the first game with Jesse Dominguez on the mound. Augie Scornaienchi will be the back stop. Joe Jellison, Aubrey Woods, Ted Stacey, and Frank Padilla or Merwin Kehl will make up the infield.

BASEBALLERS WIN THREE, LOSE THREE

April 2—Hartnell Panther baseball team trounced arch-rivals MPC in a home practice encounter 10 to 6.

The Panthers rallied for six big runs in the fifth inning to take the lead and the ball game. Art Lopez slammed a double in this frame to lead the uprising.

"Smiley" Bill Beretta received credit for his first win of the year.

April 6—The Harts were knocked out of Coast Conference contention by a hard-hitting, hosting San Jose J.C. squad. The Jags trounced the Panthers 9 to 1 in the opening game of the league double-header and came back to win the second one 9 to 8.

Bill Beretta was the second game losing pitcher. Beretta threw a seven-hitter but his Salinas teammates could not drive around enough runs for the victory.

April 9—An upstart Watsonville High School nine gave the Panthers a scare before bowing 3 to 0.

Using almost all freshmen, WUHS mentor Emmet Geiser almost pulled an upset.

Hartnell could garner only five hits off 15-year-old Mark Amrein.

Panther pitchers, Ron Garvis, Bill Beretta and Jesse Dominguez handcuffed the opposing Wildcats to one hit. Dominguez gave up the hit and Garvis took the win.

April 13—Coach Jess Regli's horsehides split with the invading East Contra Costa Vikings in another Coast Conference double-header. Losing the first game 9 to 8, the Panthers bounced back to take the nightcap 9 to 3.

Bill Beretta gave up a total of

several Panthers have left the team over the Easter vacation and will weaken the bench strength of the college team.

Art Lopez, Dave Castro, and Fred Gonzales will be the starting Harts in the outfield. Ron Garten may be the second game catcher and if he is, Scornaienchi will move to second base in place of Woods or Padilla.

Several Panthers have left the team over the Easter vacation and will weaken the bench strength of the college team.

Swimming Summary

The Hartnell swimming team has had three meets in its initial season.

The team, coached by Kenneth Blue, lost to Monterey 70-14. John Lyons picked up firsts in the 50-yard freestyle and the 200-yard backstroke. Terry Wallace took third in the diving.

At Menlo, Hartnell lost by a score of 65-20. Lyons won the 200-yard backstroke and picked up a second in the 50-yard freestyle. Wallace took first in the diving when the Menlo team forfeited that event.

At the conference meet, held in Vallejo on April 12, Lyons again won the 200-yard backstroke and captured sixth place in the 50-yard freestyle. Roy Davis, who had been unable to practice for two weeks prior to the meet because of an ear infection, came in second in the diving event.

six hits to lead the Salinas victory in the second game.

In the first contest, Augie Scornaienchi blasted a two-run homer in the top of the second and Art Lopez slammed one out in the eighth, but to no avail as the Vikings surged for six tallies in the bottom of the seventh for the win.

Jesse Dominguez was rapped with another loss in the first encounter as he yielded 12 safeties.

Scornaienchi Leads College Sluggers

Augie Scornaienchi, Salinas sophomore athlete, is still leading the Hartnell College baseball team with the most hits and in the batting average department. Scornaienchi is currently hitting the ball at a .485 clip. Having been at bat 33 times, he has rapped out 16 safeties and scored 15 times.

First Baseman Joe Jellison is topping the scoring scroll by crossing the plate on 16 occasions. Ted Stacey, shortstop, has been at bat the most times as he has made 48 official trips to face the opposing pitchers.

Big Ron Garvis has yet to receive a loss on his as-of-yet unblemished pitching record. The "Paso Robles Rocket" has won four contests to give him a perfect 1.000 percentage.

Following Garvis in the won-loss column is Bill Beretta, who has lost only one game while being victorious in two. Ace chucker Jesse Dominguez, having to encounter the toughest opposition all year, has come out on top in three affairs and been on the bottom in four.

Coach Jess Regli's boys have won nine games and lost but five. In conference play the situation is not as good. Hartnell College has gone down in defeat four times and won only half that number.

The official records are as follows:

Player —	AB	R	H	Av.
Scornaienchi	33	16	16	.485
Lopez	39	11	13	.333
Jellison	44	16	14	.318
